2. You will go to the “Home Banking Disclosure” page; scroll down to the bottom of the page and click the “I Agree” button.

3. You will be taken to the “Account Registration” form as shown:

A screenshot of the "Account Registration" form. The form has a dark blue header with the text "Account Registration". It contains several input fields: "Account #:", "Last Name:", "Last 4 Digits of SSN:", "Email Address:", "Re-type Email Address:", "Create User ID:", "Create Password:", and "Re-type Password:". There are also three dropdown menus for "First Security Question:", "Second Security Question:", and "Third Security Question:", each followed by a "Your Answer:" input field. At the bottom left, there is a "Security Image:" label next to a large red "no" symbol (a circle with a diagonal line through it) and a "Select Image..." button. A "Submit" button is located at the bottom right of the form.

4. You will then be prompted to select your “Multi-Factor Authentication” method as shown:

5. You have three options for Multi-Factor Authentication. You can receive your verification code by use of an Authenticator App; texting or email. If you are not satisfied with your first choice, you can always choose another method.

6. Confirmation of successful enrollment:
